長野県立美術館から望む善光寺  
Zenko-ji to see from the Nagano Prefectural art museum

「長野に善光寺あり」と言われるほど全国から毎年大勢の方が参拝に訪れる善光寺ですが、隣接する長野県立美術館東山魁夷館も東山所有の作品が沢山所蔵されており是非訪れたいところです。作品として 1962 年から訪れた北欧やドイツ、オーストリアなどのヨーロッパの古都の建物や晩年から描き始めた「白い馬のみえる風景」シリーズでのハヶ岳山麓の御射鹿池「緑響く」など代表的な作品が多く必見です。

Zenkoji Temple is so popular that it's often said that "Nagano has Zenkoji Temple," attracting many visitors from all over Japan every year. The adjacent Nagano Prefectural Museum of Art, Higashiyama Kaiikan, also houses many of Higashiyama's works, making it a must-see. His many signature works are must-sees, including the buildings of ancient European cities in Scandinavia, Germany, Austria, and other countries he visited since 1962, as well as "Green Echoes" at Mishaka Pond at the foot of the Yatsugatake Mountains, from his "Landscapes with a White Horse" series, which he began painting in his later years.
